Our Vision:

To provide affordable quality education to students from all strata of the society shaping them into ethical, responsible, creative, innovative, and humane citizens of global renown, and also to make a frontline contribution in the areas of education, knowledge creation, and youth transformation, bringing our society on par with the best in the world.

Our Mission:

Shantha Group of Institutions is empowering students to fulfill their passion in the Universal Health Care profession that is a serene, unique, and holistic approach towards Knowledge based Academia and research. Creating Innovative connections through imaginative programs and transmit the knowledge, wisdom and values to ensure the survival of this and future generations and improve the quality of life for all.

Core Values:

The ability to express ourselves articulately in both oral and written form requires the ability to think critically and creatively which necessitates a clear sense of academic integrity. Academic integrity is important because it is grounded in both reason and faith. The core values of academic and personal integrity are:

Honesty

An academic community of integrity advances the quest for truth and knowledge by requiring intellectual & personal honesty in learning, teaching, research, and service.

Trust

An academic community of integrity recognizes the participatory nature of the learning process and honors and respects the work of others and the members of the learning community.

Fairness

An academic community of integrity establishes clear standards, practices and procedures expects fairness in the interactions between students, faculty, and administrators.

Responsibility

An academic community of integrity upholds personal accountability and depends on action in the face of wrongdoing.

Chairman's Statement

Greetings from the Shantha Group of Institutions!

I believe that competence, courage, and character are three vital pillars of an institution. A strong foundation instills core values in young minds, nurturing them to meet the expectations and aspirations for the careers they will pursue in the future.

I strongly believe that education plays a vital role in shaping an individual's future, ultimately contributing to nation-building. The choice of a reputable institute and the right subject play an important role in a student's career. Sri Saikrishna Charitable Trust, which started these institutions, is committed to providing quality education that empowers today's youth to succeed in the global arena.

I hope that you give your best and live life to the fullest. Best wishes!

DR. K SUDHAKAR

Medical Training &
Global Career
Opportunities.**

Principal's Message

I take pride in welcoming all aspirants seeking admission to the Shantha Group of Institutions. Our endeavor is to prepare medical professionals with sound educational programs so they can serve institutions and patients with extra care while meeting the community's basic health needs.

Education is not just about learning facts but also about training the mind to think. It is a shared commitment between dedicated teachers, motivated students, and enthusiastic parents with high expectations.

As the Principal of Shantha Group of Institutions, I feel honored and privileged to be part of an institution where every stakeholder is a learner, and each day is an opportunity to learn and discover new things. From academics to co-curricular activities, perseverance and a never-give-up spirit are deeply ingrained in every student, shaping them not just into good learners but into brilliant human beings.

In today's dynamic world, holistic development and grooming are of utmost importance. Through our campus, we are fostering an environment for future leaders, entrepreneurs, and professionals with diverse skills and aptitudes across various disciplines.

I welcome all students to a new horizon filled with exciting career opportunities that await them at Shantha Group of Institutions.

DR. Naveen H Simon

Principal
Shantha Group of Institutions

Reasons to Choose SGI

- Pioneering initiatives in partnership with healthcare institutions and professional associations

Infrastructure

Recognizing the need for our educational approach to align seamlessly with the evolving scientific landscape and dynamic professional field, the Shantha Group of Institutions has meticulously developed a cutting-edge infrastructure supported by a highly qualified faculty. Our commitment to modern pedagogy is reflected in the integration of smart classrooms, supported by Pearson Educational resources, providing exposure to contemporary teaching methodologies.

Additionally, the institution features state-of-the-art laboratories for nursing, physiotherapy, allied health sciences, and paramedical disciplines, providing hands-on experiences that enhance students' comprehension and mastery of concepts effectively.

Hostel Facility

At the Shantha Group of Institutions, we prioritize the holistic well-being of our students, and our hostel facilities reflect this commitment. Located on campus, our hostels provide a safe and conducive living environment. With separate accommodations for male and female students, we ensure a secure and comfortable stay for all.

Each room is equipped with an attached bathroom and washroom facilities, ensuring convenience and privacy for students. Our world-class dining facilities serve nutritious and diverse meals, accommodating various dietary preferences. To promote recreation and fitness, we provide amenities such as a TV room for entertainment and a gym equipped with international-standard facilities. These facilities enhance the student living experience while also supporting their overall development and well-being throughout their academic journey at the Shantha Group of Institutions.

Clinical Facility

At Jeevan and Ananya Multi-Specialty, along with the affiliated government district hospital, students of the Shantha Group of Institutions gain a comprehensive clinical experience. The 300-bed Super Specialty hospital provides students with exposure to a diverse range of cases across various medical disciplines.

Our commitment to competency-based health professional education is reflected in the practical skills students develop during their time at these esteemed institutions. Ethical training is a cornerstone, instilling a sense of responsibility and integrity in our future healthcare professionals.

Student Support Center

Our Student Support Center serves as a confidential sanctuary, fully dedicated to supporting the emotional well-being of our students.

We recognize the importance of fostering a safe and supportive environment, offering a confidential space where students can seek assistance and guidance as they navigate academic and personal challenges.

We are committed to ensuring that every student feels heard, understood, and supported in their pursuit of holistic well-being.

Library & Information Centre

At the Shantha Group of Institutions, our fully computerized and automated library, equipped with a sophisticated barcode system, ensures quick access to a wealth of resources.

Students benefit from an open-access system and high-speed internet connectivity, enabling seamless exploration and research. Our extensive book collection, aligned with the syllabus, aids academic growth and exam preparation. A deposit scheme enables extended book borrowing during exams, and our SC/ST Book Bank and book kits reflect our commitment to accessibility and inclusivity.

Student Diversity

We prioritize physical well-being to enhance the overall educational experience. Our gym features state-of-the-art equipment, while outdoor spaces accommodate various sports such as football, cricket, volleyball, and athletics, fostering teamwork and sportsmanship.

Indoor games, including table tennis and badminton, cater to diverse interests. Our commitment to sports has produced university medal winners, highlighting our students' dedication and talent.
