OUR VISION

To reach affordable quality education to students from all strata of the society shaping them into ethical, responsible, creative, innovative, and humane citizens of global renown, and also to make a frontline contribution in the areas of education, knowledge creation, and youth transformation, placing our society at par with the best in the world.

OUR MISSION

Shantha College of Nursing is empowering students to fulfil their passion in Universal Health Care profession that is Serene. Unique, Divine, Holistic Approach towards Knowledge based Academia and research. Creating Innovative connection through imaginative programs and transmit the knowledge, wisdom and values to ensure the survival of this and future generations and improve the quality of life for all.

CORE VALUES

The ability to express ourselves articulately in both oral and written form requires an ability for critical and creative thinking which necessitates a clear sense of academic integrity. Academic integrity is important because it involves values that can be grounded in both reason and faith. The core values of academic and personal integrity are:

- HONESTY :** An academic community of integrity advances the quest for truth and knowledge by requiring intellectual and personal honesty in learning, teaching, research, and service.
- FAIRNESS :** An academic community of integrity establishes clear standards, practices, and procedures and expects fairness in the interactions of students, faculty, and administrators.
- TRUST :** An academic community of integrity establishes clear standards, practices, and procedures and expects fairness in the interactions of students, faculty, and administrators.
- TRUST :** An academic community of integrity recognizes the participatory nature of the learning process and honors and respects the work of others and the members of the learning community.
- RESPONSIBILITY :** An academic community of integrity upholds personal accountability and depends upon action in the face of wrongdoing.

- Dedicated faculty which encourages students to cultivate the art of thinking and empowers them to express themselves clearly

INFRASTRUCTURE

At Shantha Group of Institutions, we are very much aware that our curriculum and instructional methods should keep pace both with advances in the scientific world and with the ever-changing.

To visualize these needs we established a state-of-the-art infrastructure with a well-qualified faculty fraternity. Each classroom in the academic block is designed in such a way that every student gets the teacher's maximum individual attention. The academic block has been equipped with "Smart" classrooms supported by Pearson educational resources in order to expose students to contemporary teaching methods. The college has established a state-of-the-art laboratory for Nursing, Physiotherapy, Allied Health Sciences, and Paramedical in order to provide hands-on experience to students to understand and learn the concepts in an effective manner.

HOSTEL FACILITY

Comfortable rooms with attached toilets. Rooms are designed to provide adequate moving space and proper ventilation on sound engineering principles. The hostels have mess facilities at subsidized rates where students can enjoy a quality mess with changed menus day-wise. The mess is provided for each hostel serving sumptuous, hygienic, and nutritious food to the boarders.

HOSPITAL / CLINICAL FACILITIES — — —

Excellence in clinical care, competency-based health professional education, ethical student training, and paving the road towards improved patient care, safety, and satisfaction. We have the best clinical facilities in Jeevan, Ananya Multispecialty Hospital, Govt. District hospital and Govt. Medical College Hospital Chikkaballapur.

LIBRARY & INFORMATION CENTER — — —

SGI has a fully computerized and automated Library with a bar code system enabling easy and quick transactions. The open-access system provides easy accessibility enabling the students to make maximum use of the library. Internet-connected 14 systems and free internet facilities are provided. The library is equipped with a vast collection of books of prescribed syllabus and resource materials for competitive exams. A deposit scheme to allow students to borrow books for longer periods during exams.

STUDENT SUPPORT CENTER — — —

The student support center is a completely confidential service devoted to supporting the emotional well-being of students.

CAMPUS LIFE / ACTIVITIES

Good grades are important. But good grades paired with unforgettable experiences, true friendships and memories that you'll always cherish can make your college years some of the best years of your life.

Institute of Professional Leadership

We support students to be fully equipped for the challenges and expectations they face in today's health care environment.
